

Innovative technology solutions for sustainability

## **Abengoa to host its 2012 Analyst & Investor Day**

- London Keynote Speaker: Ricardo Martinez Rico, President & CEO of Equipo Económico, and Former Deputy Finance Minister of Spain.
- New York Keynote Speaker: Bill Richardson, Former US Secretary of Energy, two term Governor of New Mexico and US Ambassador to the United Nations.

April 30<sup>th</sup>, 2012 - Abengoa, the international company that applies innovative technology solutions for sustainable development in the energy and environment sectors, announced today the program for its 2012 Analyst and Investor Day, which will be held in London on Tuesday, May 8<sup>th</sup>, 2012 at the London Stock Exchange, and in New York on Thursday, May 10<sup>th</sup>, 2012 at the New York Stock Exchange. Both events will take place from 8.00am to 2.30pm local times. Copies of the programs are included at the end of this press release.

According to Abengoa's CEO, Manuel Sanchez, "the celebration of this annual meeting allows the senior management to share the Company's views and outlook with the investor and analyst community, in particular at a time where the markets are so challenging. In addition, we are honored to have two distinguished speakers that will bring an external view on the Spanish economic reforms and perspectives and an outlook on the US renewable energy sector".
