

ABENGOA

Innovative technology solutions for **sustainability**

Abengoa announces first half 2013 earnings conference call

August 14th, 2013.- Abengoa, the company that develops innovative technology solutions for sustainable development in the energy and environment sectors, today announced that it will release its financial results for the first half of 2013 after the closing of the market on Wednesday, August 28th, 2013. The information will be published on Abengoa's website: www.abengoa.com

Abengoa's CEO, Manuel Sánchez Ortega, and Co-CFO and Head of Capital Markets, Bárbara Zubiría Furest, will hold a conference call on the same date, which will be simultaneously webcast, at 18:00 (Madrid time) and 12:00 (New York time).

In order to access the conference call participants should dial: +34 91 788 93 03. A live webcast of the conference call will be available on Abengoa's corporate website. Please visit the website at least 15 minutes earlier in order to register for the live webcast and download any necessary audio software.

A replay of the call will be available at the Investor Relations page of Abengoa's corporate website approximately two hours after the conference call is completed.

About Abengoa

Abengoa (MCE: ABG) is an international company that applies innovative technology solutions to sustainable development in the energy and environment sectors, generating electricity from the sun, producing biofuels, desalinating sea water and recycling industrial waste. (www.abengoa.com)
