

Readers' Opinions

This Corporate Social Responsibility Report has been elaborated in accordance with the requirements of the Global Reporting Initiative Guide (GRI Guide 2002). The activities of Abengoa in the countries in which its companies operated during the course of 2004 are included herein. In another two separate volumes, Abengoa has published a 2004 Activity Report and a Legal and Economic-Financial Report.

We are greatly interested in receiving your opinion thereon, given that it will help us to enhance dialog with the parties interested in Abengoa and, to be specific, to improve this Corporate Social Responsibility Report, which shall be published annually.

We would like to know your opinion and suggestions. For any additional consultation you may wish to make in relation to the content of this Report, please do not hesitate in getting in touch with our communications section at comunicacion@abengoa.com.
