Soluciones tecnológicas innovadoras para el **desarrollo sostenible**

## **Abengoa, awarded in Chile by Mutual de Seguridad after celebrating three consecutive years without workplace accidents**

- This recognition, granted by the Chilean insurer, is one more example of Abengoa's commitment to the health and safety of its workers.

April 30, 2020 - Abengoa, an international company that applies innovative technological solutions for sustainable development in the infrastructure, energy and water sectors, has been recognized by the Mutual de Seguridad of the Chilean Chamber of Construction in terms of health and safety.

On this occasion, this new recognition has fallen on the operation and maintenance area, thanks to its accident rate indicators between 2018 and 2021.

Specifically, Mutual de Seguridad of the Chilean Chamber of Construction has verified that this area has not had occupational accidents for three consecutive years. All this, thanks to the company's commitment to the health and safety of all its workers and to compliance with the preventive, awareness-raising and control measures carried out. The award ceremony was held on Thursday, April 29, 2021.
